

HOW TO CREATE A MEET & GREET

PLEASE ENSURE VACCINES HAVE BEEN UPLOADED OR ARE BROUGHT TO THE MEET & GREET!

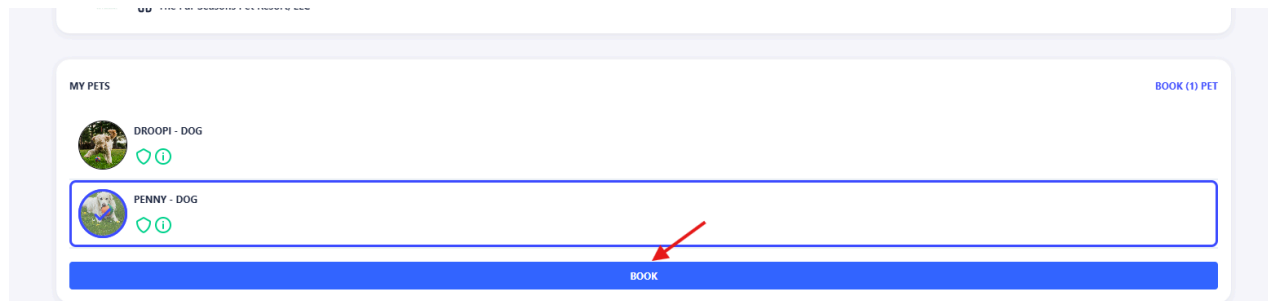

1. On our website, you may click on any of the buttons shown below. The “Reserve a Stay!” button can be found on all pages throughout our website.

2. This will direct you to a login screen. If you have not created an account with us, please do and feel free to call us with any issues you might have creating the account. Do not worry if you make a mistake, you are able to edit these details on your dashboard at any time.

A screenshot of the login screen for The Fur Seasons Pet Resort. The page has a light blue background with the logo at the top center. Below the logo, there are two main sections: "EMAIL / MOBILE PHONE" and "PASSWORD". Each section has a text input field and a small icon of a key. Below the password section, there is a link that says "Reset Password?". At the bottom of the form, there are two buttons: a blue "LOGIN" button and a light blue "SIGN UP" button.

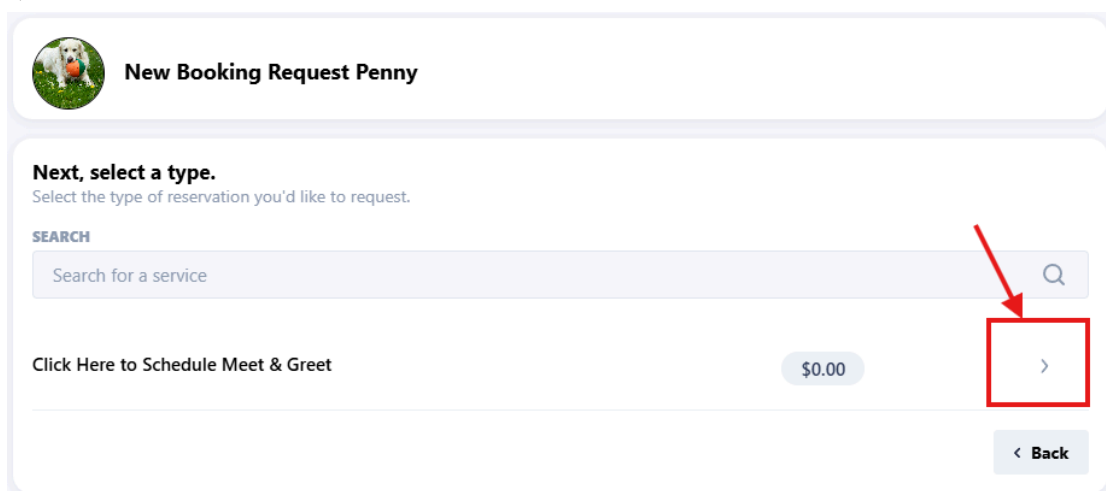

3. In your dashboard, select your pet and then the “BOOKING” button. If you have multiple pets, you may select both to create a Meet & Greet appointment for both of them.

4. On the next page, select “Other” on the menu.

5. Then, select the “Meet & Greet - Click Here to Schedule” button.

6. This next page is to add any notes we should know about your pet. (Examples would be “sprained foot”, “is afraid of big men”, “jumps on people”, or “is not a fan of people in hats.”) Once done or if not needed, click on the “Dates” button.
