

HOW TO BOOK FOR DAYCARE OR BOARDING

IN ORDER TO BOOK, YOUR PET MUST FIRST COMPLETE THEIR MEET & GREET!

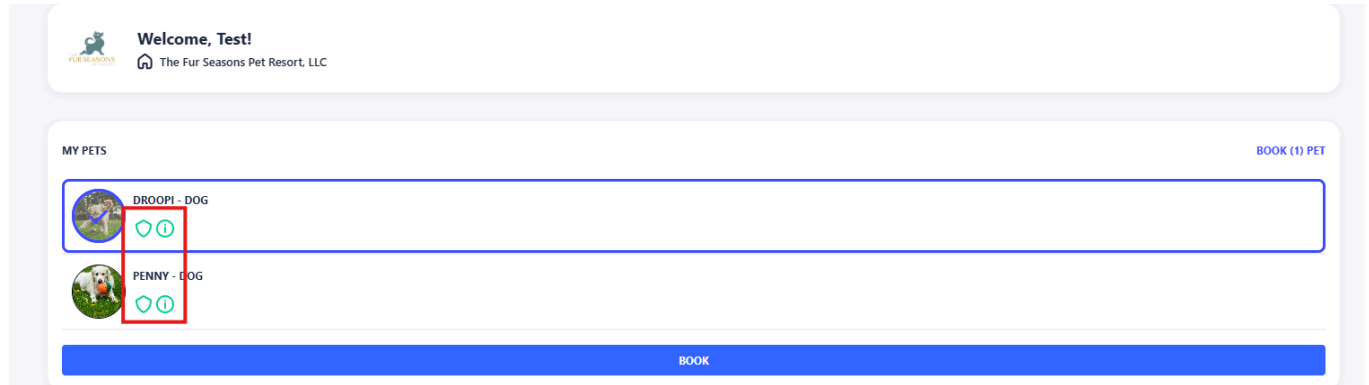

1. On our website, you may click on any of the buttons shown below. The “Reserve a Stay!” button can be found on all pages throughout our website.

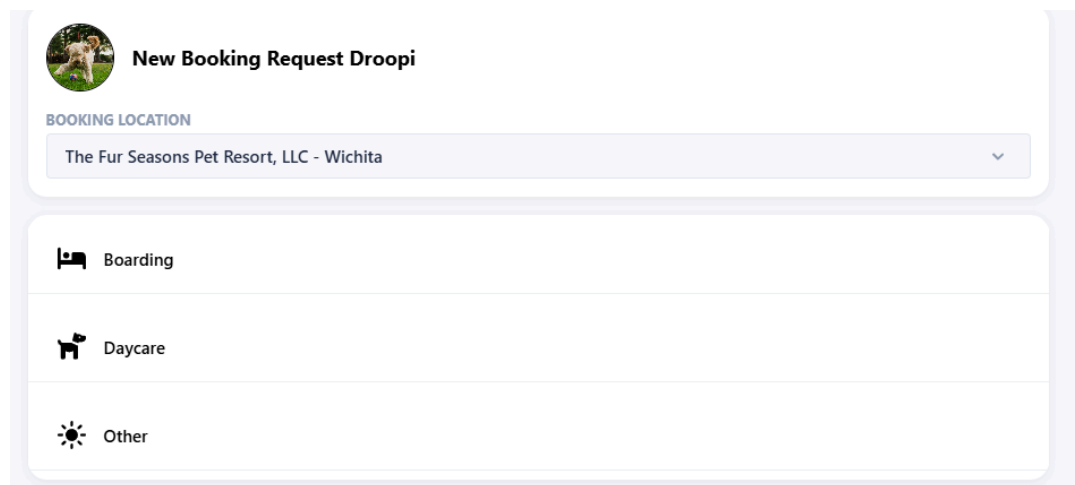

2. This will direct you to a login screen. If you have not created an account with us, please do and feel free to call us with any issues you might have creating the account. Do not worry if you make a mistake, you are able to edit these details on your dashboard at any time.

A screenshot of the login screen for The Fur Seasons Pet Resort. The logo is at the top center. Below it, there are two input fields: "EMAIL / MOBILE PHONE" and "PASSWORD". Each field has a placeholder text and a small icon. Below the email field, there is a link "Enter the email/mobile number on file." Below the password field, there is a link "First time logging in? Reset your password." and a link "Reset Password?". At the bottom, there are two buttons: a blue "LOGIN" button and a grey "SIGN UP" button.

3. Ensure that all pet accounts are green as shown below. Anything in red is missing information and must be addressed before any reservations are made. Follow the prompts to make the corrections as needed. Select your pet and the “BOOK” button. If you have multiple pets, you may select both to create the reservation for them at the same time.

4. Select your reservation type (Boarding or Daycare).

5. Next, select the exact reservation tier you are interested in.

In our Themed Suites, small groups of similar-sized, similarly energetic dogs enjoy private rooms connected to a dedicated play area. These suites offer the ideal blend of socialization and relaxation, with regular playtime alongside compatible friends and a cozy space to retreat to when it's time to unwind.

The Premium Stay includes a bath and nail trim upon departure, a (rotating) daily gourmet treat, and a 1 on 1 daily enrichment activity! Aside from playing with friends all day, these furry guests get to go outside for potty breaks every 1.5-2 hours with their group!

7. In this next window, you can select treats, grooming services, or other activities like puzzles, or walks during their stay. Click “Add Service” at the bottom of the list and then the “Notes” button at the bottom right.
